What was your least favorite part and/or project of this class?

- .
- Continent project. Only because I wish we could have done more on the continents.
- Culture
- culture presentations
- Cultures
- didnt
- didnt have a least favorite
- everything
- fgndyj
- first day
- genocide
- genocide project
- Having to speak in front of the class
- how all the projects seemed to be all squished into the last half of the semester.
- how she was rude sometimes about small things
- I didn't like days we watched movies. That is probably because I learn better hands-on.
- I didn't like having projects without partners.
- I liked every project, but if i had to pick one I would say the religion project. Not because the method or anything I just think that since we all have different religions it is kind of hard to make this topic interesting without bringing up a conflict of ideas between the students.
- idk
- long day
- Make the impossible possible
- My fellow classmates who were closed minded about certain subjects
- my least favorite was the final project about the Genocides
- n/a
- na
- none
- none it was an awesome class
- None,
- not enough testing
- Nothing
- nothing.
- ok
- oral presentations although good experience
- presentation
- projects
- Religion poster
- Religion posters
- religion project
- self ethnography
- so many projects
- speaking in front of the class
- Students taught each other too much, not enough direct teaching from teacher
- that we had to talk in front of the class
- The dependance on other students for information. On some of the projects, even I could tell that the person giving the presentation didn't put much effort into thier research. It was clear that they didn't research thier topic more than a few hours and threw something together.
- the final
- the genoside project
- The organization of assignments.
- The Self project.
- There was not really a non favorite part.

Do you have additional comments regarding this class and/or instructor?

- .
- fun class!
- I didn't do well in this class but it had nothing to do with the instruction.
- I learned a lot.
- I really enjoyed this class, and Professor Summers. It was very informative, I just would have liked to learn more. Maybe I will persue this as elective courses when I transfer.
- I recommend Mrs. Summers keeps doing what she did this semester. I really enjoyed this class.
- idk
- It was a great class I enjoyed learning!
- jsdyjdsfj
- most people do not learn from doing projects. we need lectures and note taking
- Mrs. Summers is one of my favorite teachers. Shes very open-minded and caring. She tries to make you comfortable, but willing to learn at the same time.
- n/a
- na
- no
- no.
- noen
- none
- Nope.
- Not at this time.
- nothing
- ok
- She did a fantastic job, and I liked everything about the class except that what was expected out of most assignments was very vague, and on some of them extra parts such as an essay were added on short notice.
- she is a very passionate teacher, I wish more were like her.
- some of the students were rude uncaring with cell phones in class feel the school should ban them from being in classrooms..they will not die without electrial devices in their ears or attached to a hand for one hr
- Strict
- Thank you Mrs. Summers
- Thanks :)
- The class was a very positive learning environment.
- very good class and teacher
